PRINCIPAL'S MESSAGE

To me, a yearbook presents a wrap-up of a year in the life of a school.

If this be so, then the yearbook in which this appears should be a good one because this year at Hardisty has been a good year. I can say this because as a newcomer to Hardisty I have spent a great deal of time observing the school in operation.

The school is fortunate in having a group of teachers who are prepared to search for new and better means of presenting the students with the tools with which they will meet the careers they will follow when school is over.

The school is fortunate in having a group of students who, despite the fact that they are living in a world where the term "freedom" is being misinterpreted, are keeping their good sense.

Finally, the school is fortunate in having behind it parents who are not only interested in the welfare of their children but are prepared to work with the school in order to maintain high standards at the school.

With a revitalized Students' Union, an earnest Home and School Association, a staff that is looking forward rather than backwards, and a good bunch of kids, your school can look ahead to turning out the type of citizen that Canada needs in a period of change from an old order to a new.

Sincerely,

G. R. Schurman

Harold Gerry

I have talked with many more
who well,
Remember this man and what
he was.
Physically, he has been from youth
to age
A tower of strength, a human rock.

He gave to youth his love, his time,
his life,
To broken men, reeling from the hurts
of life
He gave courage, solace, hope
and pride.

Now earnestly and eager in my verse to show
our love
We salute our friend, and hope
that he
Can take some pleasure from
our pride.

- Robert Forbes

President's Message

It was a great pleasure and a rewarding experience for me to have been granted the opportunity to represent the students of Hardisty Junior High School as their president for the 1970-71 school year.

From many aspects, we could say that this year was quite successful. The Snow Fest, dances and other events were well attended and participation was high.

I think the reason for this success was the cooperation I received from the teachers, the student executive, and the student body.

Representing the Students' Union Executive, I would like to thank Mr. Marshall, Mrs. Cameron, Mr. Godfrey and other staff members who assisted us with our social events.

In all the inter-scholastic sports activities, I was glad to see that our fans supported all our different teams and, in most cases, cheered them on to victory.

As the school year closes, may I extend to each and every one of you, success and happiness in whatever endeavour you may choose.

Jim Shimbashi
President.
